言語治療通訊—故事 光碟能否取替「伴讀」

相信有很多家長在其子女仍在幼稚園階段 時,都會和他們伴讀。但踏入小學階段, 和他們伴讀的次數就會因各種因數,如功

課量、課外活動、閱讀能力的提升,而逐漸減少。

可能有家長認為坊間有很多講故事的光碟、軟件及網站,可作聆

聽理解以代替伴讀,家長 們心中有個問號:仍需要花 時間為子女作伴讀嗎?

現在將兩者作出比較:

		1
	伴讀	非伴讀
促進與子女關係	✓	×
可調校說話速度	✓	×
可因應子女的語言能力作出調校。	✓	×
遇到子女有不明白的地方,家長可停下來作出解釋。	✓	✓
重複再讀時,學生會得到不同的語言刺激。(縱使,由 同一個人再次D述,或多或少每次都會有不同的變化)	✓	×

由此可見,伴讀仍有不能被取替的地方。因此希望各位家長能每天抽空和子女伴讀,以提高他們的理解能力。

讓孩子愛閱讀的重要

一本好書,能成為親子橋樑, 建立溫馨的溝通關係;

一個有趣又正面的故事, 能讓孩子感到積極而愉快;

○ 班主任在綜合課與學生共讀,分享閱書書心得, 引導學生思考故事內容相關的討論。

🔾 太古基金項目顧問 彭蔡淑玲女士(菜姨姨)

為什麼讓孩子愛閱讀是這麼重要? 因為閱讀有種神奇的力量,

它是建立良好關係的橋樑,交流分享,互相信任; 也是有助我們增廣見聞,理解世界,認識新事物;

所以,太古小學將會.....

為孩子提供更多元的閱讀機會; 營造更有趣及豐盛的閱讀氣氛;

我們的使命.....

培育學生從閱讀中都能身、心、靈健康快樂成長; 終身學習,喜愛閱讀,讓閱讀成為生活中不可缺少的部份;

今年,我們除了繼續以校訓「誠、信、儉、樸」為主題為同學推介好書之外,更透 過老師故事頻道將《中國童話》、《民間故事》、《四大名著》、《金庸武俠小說》…… 以演說故事形式帶孩子進入中華文化故事世界,目的是培養學生專注聆聽故事, 激發閱讀的動機及對文字產生興趣,我們還安排各級班主任,透過「綜合課」與學 生分享討論,啟發他們多角度思考,培養良好品德素養。

Learning English from Happy Reading

Bring Me A Book (BMAB)

Last year, the school invited BMAB to share their vision on creating a love of learning through reading. BMAB is an award-winning non-profit organization advocating literacy in Hong Kong by ensuring that school children have access to quality books. To introduce the joy of reading, storytelling sessions on Zoom were conducted for Primary 1 to 3 students during the pandemic. The stories were interesting and entertaining. The students enjoyed the sessions very much.

The Parent's Workshop was held for parents of Primary 1 to 4 students. Parents were able to understand how storytelling and creating a language-rich environment at home help foster a true love of reading. Parents were encouraged to read aloud to their children and learnt how to perfect their storytelling skills.

Teacher's Workshops on how to match students with books according to their reading levels and topics, and assigning appropriate books for shared reading were organized for our school English teachers by Ms. Angie and Ms. Caitlyn.

Welcome our new NETs

Hi everyone! My name is Manisha and I am the new Native English Teacher at Taikoo Primary School. Hong Kong is my home - I was born here.

I like English and am passionate in teaching the language. Having two nephews, I often help them with their English projects and homework. I have always enjoyed reading literature and chose that as one of my a-level subjects. Some of

my favorite authors are Seamus Heaney as well as Harper Lee, I also truly enjoy Shakespeare novels. I would describe myself as a highly energetic person who is patient and very hard working. I enjoy teaching and help my students achieve their learning goals. I would keep my students engaged and fully participate in my classes.

My interests include yoga, baking and travelling! I speak 5 languages and my motto is Love makes the world go round'.

Hi, I'm Miss Natasha from the land of kangaroos, meat pies and beautiful beaches. I grew up in Australia where I rollerbladed with my friends after school and picked mulberries from the trees on our street. We even collected the silkworms that munched on the mulberry leaves to keep as pets.

After living in canada to snowboard and hike, and Chile to

learn spanish and hike, I settled here in Hong Kong to teach,

practise Thai kickboxing and hike. I love to use the cooking skills I learned from being a cook in canada for four years to make yummy food for my friends. I always use a lot of vegetables to show people that they are

I enjoy teaching at primary school because you students always DELICIOUS! make me laugh and when you're laughing, work is full of fun.
