走出課室的學習

暑期活動

暑假前，本校於七月十三日為二至五年級的同學安排了不同的暑期活動，他們分別參觀了香港海事博物館、機電工程署教育徑、九龍公園、香港科學園。在這些活動中，參加者不但能增廣見聞，還可以舒展身心，讓老師和同學一起快樂地迎接暑假的來臨。

◀ 同學利用雙筒望遠鏡觀察維多利亞港繁忙的海上交通。

▶ 四年級同學參觀衛生教育展覽及資料中心時，職員透過講座加深同學們對食物安全和環境衛生的認識。

▶ 同學們透過遊戲，不但可以知道基因改造食物是如何得來的，而且還能明白它所帶來的好處和壞處。

▶ 同學們都希望走進模擬駕駛室，充當「小舵手」，一嘗航海的滋味。

在「圖創奇職」這大型圖版遊戲中，同學們可扮演創新科技中的不同職業，借此加深其對香港創科行業的認識。

▶ 同學們同心協力搭建高臺，把乒乓球送到指定的位置。

三年級參觀香港科學館

三年級同學在十月十六日參觀香港科學館。透過館內不同的展覽、示範、遊戲，學生可以親身體驗和應用日常所學的知識，了解科學與日常生活的關係，從而激發他們的興趣、好奇心和想像力。

Learn English through Experience

English Study Tour in Singapore from 19th June to 23rd June

The Singapore English study tour held last summer was a great success. P.5 students benefited a lot as they had chances to explore and tour around Singapore's famous scenic spots. Students were required to accomplish different tasks, like interviewing native speakers. These provided students the opportunity to study English through authentic learning.

▲ Students joined the behind-the-scenes workshop at the Singapore Zoo and they got a chance to touch a snake.

▲ Students visited Little India and learnt about the culture of Singapore.

▲ 25 students joined the English study tour.

Students' Feelings

6A ELLEN WONG

During the trip, I spoke in English with my teachers and friends. I also learnt how to do everything by myself, such as packing the luggage and waking up on time. On the third day, I needed to interview the visitors at the Singapore Zoo. It was a good chance for me to speak to foreigners. I think I did a great job!

6A NATHAN LAW

I have learnt more about Singapore and its culture. My favourite spot is Singapore Zoo. I watched the Elephant Show and the Sea Lion Show there. The most memorable thing was the behind-the-scenes-tour, which we had a lot of fun. Singapore is an experiential attraction for any ages and it was a very unforgettable experience for me.

English Summer Programme

Over 100 students from P.2 to P.5 joined a 5-day English Summer Programme in July. Different team building activities were designed for students to develop their cooperation skills. At the end of the camp, every student had to perform in the closing ceremony which was an extraordinary learning experience for students to showcase their talent.

3B EUVAINE SO

I was glad that I could join the programme. I played different kinds of games and did some Science experiments. We also watched cartoons and they were so fun! The programme was knowledgeable. We enjoyed it very much.

5B CLARA KWAN

I had a lot of fun at the summer camp. My favourite activity was 'Egg Walk' because it was exciting. I was so nervous when I was walking on the eggs. I had to complete a lot of tasks with my group members, hence I learnt the importance of teamwork. I hope I can join the programme again next year.

Welcome our new Native English Teacher

Hello everyone! I am Aimee and I am very excited to be the new Native English Teacher at Taikoo Primary School. Although I spent most of my life in London, I was born in a typically English countryside town in Kent, where I was able to explore apple orchards and spot wild rabbits with my two brothers.

I have a passion for words and literature. I love reading and writing a lot. I studied literature and creative writing in London, and completed my Masters in Creative Writing at Brunel University. My first few weeks with Taikoo Primary School were wonderful. I am impressed with the students as they are so eager to learn English. I look forward to spending the coming year with you all!

Hello everyone! I am Mr. Clark. Most of you know that I am from Australia and have been in Hong Kong for about three years. Back in Australia, I used to play many outdoor sports because we had lots of places to play. We play cricket in summer and football in winter, but I don't do a lot of outdoor sports in Hong Kong.

I love to watch movies, read and play video games in my free time. My favourite movie is The Terminator starring Arnold Schwarzenegger. I can't pick my favourite book since I have too many that I love!

Hello everyone! I am Mr Landau. I am excited to roll up my sleeves and get cracking on next year's teaching. I also look forward to getting to know each one of you better as time goes by.

Teaching is my biggest passion. I love to bring positive energy to my classes. If you get a chance to visit my classes, you will find the classroom is replenished with energy.

I like to bring new life into the classroom and the close bonding developed with my students. I am always ready for an adventure, so let's see where the road takes us!
